## Energy Management System

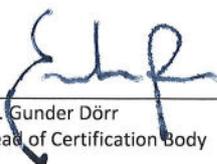

has been implemented and used for industry - light to medium.

An audit of the PFI certification system provides proof that this energy management system meets the requirements of the following standard:

## DIN EN ISO 50001:2018

This certificate is valid from: **2025-12-19**  
This certificate is valid until: **2028-12-18**  
Registration number: **2507926-01-80\_EN**

Issued in Pirmasens, **2025-12-19**

  
Dr. Gunder Dörr  
Head of Certification Body

Certification is based on a management audit and on the contract concluded with the Test and Research Institute Pirmasens (PFI) for the certification and surveillance of a management system based on the standard(s) described overleaf.

The certification is granted subject to withdrawal at any time on discontinuation of the conditions specified in the contract.

Information on the validity of the certificate is supplied by the certification body of the PFI.
